

DRRIF WORKING GROUP PROGRESS

- 4 Meetings of the WG held so far (all of them in Vienna) :
13. November 2013; 01./02. September 2014; **17. March 2015**
Main Focus **DRRIF Feasibility Study Progress**
Development of Pilot schemes for opening-up national programmes
EUREKA, Twinning, etc..

17.September 2015

Outline DTP Programme + Exchange of ideas on potential DTP projects

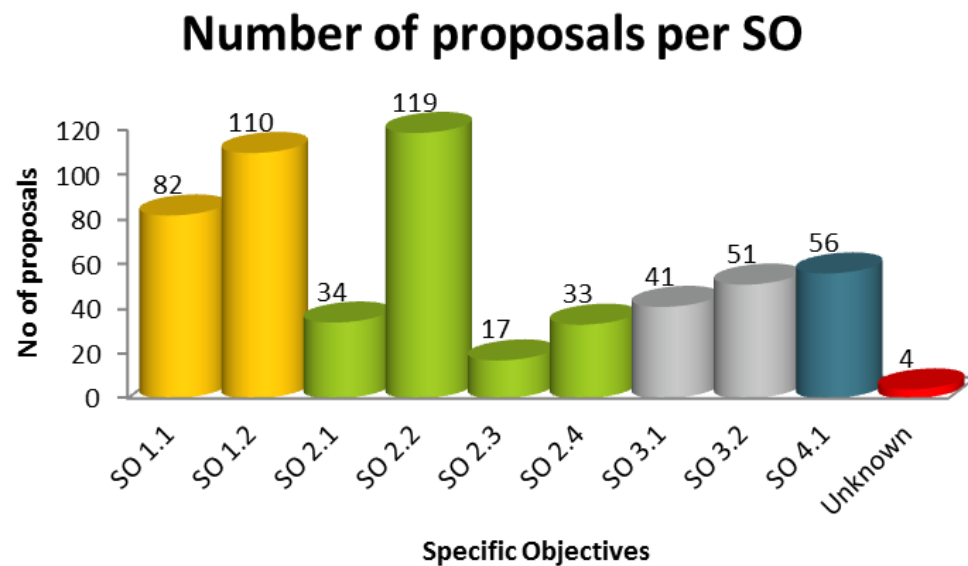

German BMBF Call activities; Opening-up bilateral agreements;
COST, Widening participation;

Multilateral activities and Danube Region relevant Calls
in Horizon 2020 Work Programmes 2016-2017

**547 Expressions of interest
considered for assessment in
the First call**

**A number of organizations
and actors of PA7 and the
Danube-INCO.NET project
have submitted projects
or are partners in projects**

DRRIF WORKING GROUP- NEXT STEPS

- Potential for a joint collaboration in ERA-Net activity in 2016?
Maybe in the field of energy?
Some replies still open –Reminder for feedback from all countries !!!!
- Follow-up of the pilot Call in EUREKA, the German BMBF Call, the first Call of the Danube Transnational Programme and **developing “lessons learned”**
- Coordination with the Danube-INCO.Net project and its activities, especially in WP2 (Policy Dialogue) and WP6 (Scaling up of funding mechanisms)

DRRIF WORKING GROUP- NEXT STEPS

- DRRIF study follow-up especially with view to creating a stable Funding Network option
Striving towards a more even participation of countries – explicit invitation to join
- Further activities towards the potential use of COST in the EUSDR context / Targeted Network proposal
Need to select topics (see separate presentation)
- Lobbying activities towards the 2018-2020 Work Programme
What are the topics we want to promote for joint collaboration?
