# **DRP Capitalisation Exercise**

**Capitalisation Workshop EUSDR PA7 and PA8**

26-27 March, Bratislava

# DRP capitalisation exercise

- Capitalisation: „Connecting the dots“ – promotion of cooperation and synergies-building between projects, MRS/EUSDR and other key-actors in a certain thematic field
- Capitalisation: Creation of „critical mass“ of stakeholders for achieving or maximising sustainable impact in cooperation areas where a single project or the EUSDR alone is not enough
- Programme-supported capitalisation activities with long tradition in the Danubian Space, reaching back to South-East-Europe Programme 2007-2014
- With DTP 2015-2022 the EUSDR was given a key-role in boosting capitalisation activities

# DRP capitalisation exercise

- DRP capitalisation exercise officially launched during the DRP 1st CfP LP seminar, April 2024, Belgrade
- EUSDR PAC involved in it and esp. PA7 and PA8 showing great commitment from the beginning on
- During the Seminar 12 capitalisation working groups were organised, covering various topics, PAs and DRP Specific Objectives

# DRP capitalisation exercise

- Ongoing: Seed money projects – EUSDR PA matchmaking events, for also linking SMF projects to the capitalisation-communities
- 2-yearly online meetings organised by the DRP MA/JS foreseen to foster capitalisation activities and for extending them to further projects (DRP 2nd CfP and 3rd CfP)
- Self-organised capitalisation initiatives (like the one today) strongly encouraged and supported by the DRP
