Viktor Nedović, PA 7

Carmen Hawkins, PA 8

Helia Kovačević Grčić, PA 8

**Danube Region
Programme**

Co-funded by
the European Union

PA7 conclusions

- sharing experience and results, exchange of contacts
- better visibility of the region through project results
- portal of best practices and success stories
- EUSDR should facilitate stronger policy support in order to implement project results
- capitalisation is important and should continue
- WP capitalisation should become a part of project proposals
- platform for future cooperation (matchmaking platform to develop new projects)

PA 8 Conclusions (I)

First of all, Thanks to PA 7 and the Slovak NC team for hosting us all!

- Workshop was very useful!
- Great overview over subjects and objectives of projects
- Very fruitful exchange in the 3 categories
- Many synergies and common challenges identified

PA 8 Conclusions (II)

- PA 8 is so far little involved in Smart City and Region topic – possibility of more engagement e.g. in a 7th PA 8 Working Group? Or cooperation with PA 8 Working group Regional Development

PA 8 Conclusions (III)

How can PA 8 help and support future cooperation?

- Use existing structure
 - Make pressure that your country will be in future represented in PA 8 Steering Group
 - Register in PA 8 Working Group
 - Check PA 8 Website
 - Subscribe PA 8 Newsletter
 - PA 8 has five Danube Youth Council member – They can help to reach the young generation to disseminate project results, knowledge and experience

PA 8 Conclusions (IV)

- Consideration to use PA 8 Website for Dissemination of project results e.g. via PA 8 Working Group articles or new category
- Attend EUSDR Annual Forum at 5. and 6.11. in Sarajevo
- Organise event in EU MRS Event in Brussels at end of September 2025

Thank you !
