## Expected impact

 ***Fostering the national VET system reform***

 ***Establishment of a Competence Centre for dual VET (Danube Academy)***

 ***A stronger and sustainable mobilisation of SMEs and companies for dual apprenticeships***

 ***An ongoing experience exchange for apprenticeships***

## The project is based on the following milestones:

<b>M 1</b>	Analysis of the labour market needs – survey – 7 most demanded technical professions identified	<b>WP 3</b>
<b>M 2</b>	Analysis and review of new Slovak VET legislation and its impact Analysis and review of Slovak VET pilot schemes including recommendations	<b>WP 4</b>
<b>M 3</b>	An action plan to setup a Danube Academy for Dual Education for technical apprenticeships in Slovak Republic <b>Analyses of Education system for teachers of technical subjects for VET and in-company instructors</b>	<b>WP 4</b>
<b>M 4</b>	5 training concepts and pilot trainings of TVET personnel such as teachers and in-company instructors	<b>WP 4</b>
<b>M 5</b>	The development of a Community of Practice for apprenticeships to gain a sustainable exchange of experience	<b>WP 4</b>

# Concept of the Danube Academy for Dual Education

The main aim of the Danube Academy (DA) should be **education of teachers of technical subjects** – focus on the 7 professions resulting from the survey made by DSIHK and

- **virtual network of competence centers** and relevant training programmes for teachers of the Danube countries
- **qualification center** for teachers
- **consultations** to companies and schools
- help to **prepare study programs** based on experience of DSIHK and WKO
- **networking of the schools and companies**
- one or more **pilot schools** - to transfer their practice all over the country or even in the other countries of the Danube region
- information platform of chambers
- **life-long learning** of teachers, instructors and teachers for training (to teach new applications) in order to secure the competitiveness of the companies
- organize **best practice exchange within the Danube region** – also through mobility of teachers for training, instructors, teachers and students

# INT VET DUAL

Introduction of Vocational Education and Training

Co-funded by the  
Erasmus+ Programme  
of the European Union
